The Faculties, for intellectual abilities, moral worth and professional acquirements, will compare favorably with the most distinguished in our country. The medical faculty constitutes an anomaly in this or any other country—all of them are able lecturers and the best of teachers. Those who will contemplate our geographical position, and the extent of our population, can have no doubt as to the eligibility of our situation for an enterprise of the kind. As to health, including all seasons of the year, we deny that ANY OTHER CITY has more. A common error exists in the minds of many students relative to the place of studying medicine; those who intend practicing among the diseases of the West and South should certainly educate themselves at a school whose faculty are practically acquainted with those diseases. That the public may be satisfied of the permanency of this school, we feel it our duty to state, that the Trustees and Faculty form a UNIT in action which augurs well for its future success; and that the peculiar internal organization which connects them, cannot be interrupted. E. W. M. KING, President of the Memphis Institute. July 17, 1850. 18

LIVER COMPLAINT, Jaundice, Dyspepsia, Chronic or Nervous Debility, Diseases of the Kidneys, AND ALL diseases arising from a disordered Liver, or Stomach, such as: Constipation, Piles, Fullness or Blood in the Head, acidity of the Stomach, Nausea, Heartburn, disgust for Food, fullness or weight in the Stomach, sour eructations, sinking or fluttering at the Pit of the Stomach, swimming of the Head, hurried and difficult Breathing, fluttering at the Heart, choking or suffocating sensations when in a Lying Posture, dimness of vision, dots or webs before the Sight, Fever and dull pain in the head, deficiency of Perspiration, yellowness of the skin and eyes, pain in the side, back and limbs, sudden flushes of the Face, burning in the flesh, tingling of evil humors, depression of spirits, &c. CAN BE EFFECTUALLY CURED BY DR. HOOFLAND'S CELEBRATED GERMAN BITTERS, PREPARED BY DR. C. M. JACKSON, AT THE GERMAN MEDICINE STORE, 120 Arch Street, Philadelphia.

Their power over the above diseases is not equalled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed. These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, without safe, pleasant. READ AND BE CONVINCED. Class Robinson, Esq., Easton, Md., in a letter to Dr. Jackson, Jan. 9, 1850, said: "My wife and myself have received more benefit from your medicine than any other we have ever taken for the Dyspepsia and Liver disease." "The 'Teuth Legion,' published at Woodstock, Va., Jan. 10, 1850, said: "A GREAT MEDICINE."

"We have uniformly refrained from recommending to the public any of the various Patent Medicines of the day, unless thoroughly convinced of their value. Among those we consider worthy of notice is the German Bitters, invented by Dr. Hoofland, and prepared by Dr. Jackson, in Philadelphia. One instance in particular, in which the superior virtues of this medicine have been tested, has fallen under our observation. During the last summer, a son of Mr. Abraham Brabill, of this country, was very seriously afflicted with Liver Complaint, and after trying in vain various remedies he purchased a bottle of the Bitters, and after using it was so much relieved of his distressing malady that he procured another bottle, and is restored entirely to health. READ FURTHER A FEW FACTS.

The "Philadelphia Democrat," the leading German journal of Philadelphia, the editor said, Nov. 24th: "We again call attention to the removal of the German Medicine Store, the principal depot for the sale of Dr. Hoofland's German Bitters, from 278 Race to 120 Arch Street, one door below Sixth. Owing to the increased demand for this medicine, and for the convenience of his customers, Dr. Jackson has been compelled to occupy a larger store. We wish him success in his new quarters; he is deserving of it. The Bitters Mixture is without doubt the greatest medicine extant for diseases of the Liver and Bowels. A stubborn case of Chronic Diarrhea has come under our notice, wherein the patient had exhausted the Materia Medica of the different schools of medicine with no apparent benefit. He was induced to use these Bitters, and a few bottles of them have entirely cured him: Many such cases we could refer to. We hope our readers will recollect this great restorative, should they be so unfortunate as to require its use. Dr. Jackson possesses the original unpublished receipt of Dr. Hoofland, and he prepares this medicine with this care. Those purchasing should call for his store, or get his name written on the wrapper outside, and blown in the bottle, as imitations of all good articles are common." Judge M. M. Noah, a gentleman with great scientific and literary attainments, said in his "New York Weekly Messenger," Jan. 6, 1851: "Dr. HOOFLAND'S GERMAN BITTERS.—Here is a preparation which the leading presses in the Union appear to be unanimous in recommending, and the reason is obvious. It is made after a prescription furnished by one of the most celebrated physicians of modern times, the late Dr. Christopher Wilhelm Hoofland, Professor to the University of Jena, Private Physician to the King of Prussia, and one of the greatest medical writers Germany has ever produced. He was emphatically the enemy of humbug, and therefore a medicine of which he was the inventor and endorser may be confidently relied on. It specially recommended in liver complaint, dyspepsia, debility, vertigo, acidity of the stomach, constipation, and all complaints arising from a disordered condition of the stomach, the liver and the intestines. None of the Philadelphia papers express their conviction of its excellence, and several of the editor speak of its effects from their own individual experience. Under these circumstances we feel warranted not only in calling the attention of our readers to the present preparation (Dr. C. M. Jackson's) preparation, but in recommending the article to all afflicted."

MORE EVIDENCE. The "Philadelphia Saturday Gazette," the best family newspaper published in the United States, the editor says of DR. HOOFLAND'S GERMAN BITTERS: "It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers, and therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be understood that we are not speaking of the nostrums of the day, that are used about for a brief period and then forgotten after they have done their guilty race of mischief; but of a medicine long established, universally prized, and which has met the hearty approval of the Faculty itself." Evidence upon evidence has been received (like the foregoing) from all serious cases, in the last three years, in which the most glowing testimony is given in its favor, in its use in the practice of the regular Physicians of Philadelphia than all other nostrums combined, a fact that can easily be established, and fully proving that a scientific preparation will meet with their quiet approval when presented even in this form. That this medicine will cure liver complaint and dyspepsia, no one can doubt, after seeing it as directed, acts immediately upon the stomach and liver—it is preferable to all other remedies in all bilious diseases—the effect is immediate—They can be administered to female or infant with safety and reliable benefit, at any time.

Beware of Counterfeits. This medicine has attained that high character which is necessary for all medicines to attain to induce counterfeits to put forth a spurious article at the risk of the lives of those who are innocently deceived. LOOK WELL TO THE MARKS OF THE GENUINE. They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious. THE GREAT SUMMER MEDICINE! DR. GUYSSOTT'S IMPROVED EXTRACT OF YELLOW DOCK AND SARSAPARILLA For the cure of all diseases or disorders generated by impure blood. Its great success justly entitles it to the name of the GREAT AMERICAN SPECIFIC. So far as it is known it is universally appreciated, and many eminent physicians use it daily in their practice with the most happy effects, and certify that it is the best extract in existence, and the only one that STANDS THE TEST OF TIME.

Every year adds to its great popularity, and multiplies its astonishing cures. Scrofula of the King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples or Pustles on the face, Blotches, Boils, Chronic Sore Eyes, Ringworm of the Scalp, Scald Head, Enlargement and Pains of the Bones and joints, stubborn Ulcers, Syphilitic Lumbago, and Diseases arising from an Injurious use of Mercury, Acites or Dropsy, Exposure, or Imprudence in Life, Liver Complaint, Ague and Fever, Intermitting Fever, Cholera Morbus, Dysentery, Diarrhoea, Plethora of Blood in the Head, Piles, Pains in the Back, Sides, Breast or Loins, and all forms of Muscular, Glandular and Skin Diseases. It is a sovereign specific for General Debility, and the best renovator for a Broken Constitution. It braces and reinvigorates every organ, promotes activity and regularity in every function, and produces the condition of the whole physical system, which is the best security for LONG LIFE!

Let all who wish to purge the blood from the impurities contracted from the indulgence of the appetite during the winter, and to prepare the system to RESIST SUMMER EPIDEMICS, Resort now to "Guyssott's Extract of Yellow Dock and Sarsaparilla," which is proving itself an antidote for many of the most malignant diseases that flesh is heir to, and they will never be disappointed; for in this remedy the public faith has never wavered—never can waver; for it is founded on experience, just as their want of faith in other and spurious compounds is also founded in experience. They FLY FROM MINERAL NOSTRUMS to seek hope, life and vigor from this PURPLY VEGETABLE REMEDY, Therefore, however broken down in health and spirits, however loathsome to himself and others, let no one despair of recovery, let the patient only understand that his hope of recovery rests only in "Guyssott's Extract of Yellow Dock and Sarsaparilla," and persuade him for his LIFE'S SAKE to try it, and we have no hesitation, in predicting his speedy restoration to health. As a means of regulating all the functions of WOMAN'S DELICATE ORGANIZATION, it has no equal in the materia medica, and at that critical period of life, when the first stage of her decline commences, its cordial and invigorating properties will enable her to pass the crisis safely. Messrs. Scovill & Mead: I have been troubled with the chronic rheumatism for the last twelve years. On the 1st of July, 1849, I was so bed that I could not turn myself in bed, and the pain so severe that I had not slept a wink for six days. At this time my attending physician prescribed the "Hebrew Plaster," and it acted like a charm; the pain left me, and I slept more than half of the night, and in three days I was able to rise on my feet. I credit the "Hebrew Plaster" the best remedy for all sorts of pains now in use. G. W. M'INN, Hendersonville, N. C., Aug. 16, 1850.

Mothers, Read This Attentively. DR. KEELER'S CORDIAL AND CARMINATIVE. For the speedy and permanent cure of Diarrhoea, Dysentery, Cholera, Infantum, Cholera Morbus, Cholera, Summer Complaints, Flatulency Pains in the Stomach, &c. and all from over-angement of stomach and bowels from Teething. The time has again arrived when thousands of the stomach and bowels carries its thousands to the premature grave. Is there no remedy to stay the march of death? We answer, YES—the Cordial will cure and prevent nine-tenths of all cases of disease affecting these organs. More than five thousand cases of disease were cured by it during the past year. All families consulting the welfare of their children and selves, will act wisely in having this article by them. In all cases of failure the money will cheerfully be returned, and to those who are unable to purchase, it will be cheerfully bestowed. THAT IT WILL, AND HAS CURED, THE WORST FORMS OF DISEASE OF THE STOMACH AND BOWELS READ THE FOLLOWING EVIDENCES From the Spirit of the Times.

Dr. Keeler's Cordial and Carminative, is certainly a valuable desideratum in every family, to the young and to adults, but particularly where there are children. We speak advisedly, because we have thoroughly tried it, and proved its healing and efficacious properties in our family. We would most cordially recommend the public to give it a fair trial, which is all they are wanting to appreciate its value. From the North American and United States Gazette, Sept. 4th 1847. In these days, abounding in fruit, it behoves every one to be prepared with a remedy for the evil effects which it sometimes produces—we have been told by those that knew and who have tried it—that Keeler's Cordial is an article which has been used in some of the severest cases of Summer Complaint, both in infants and grown persons. The Cordial can be procured at the corner of Third and South Streets. From Neal's Saturday Gazette August 28th 1847. Dr. Keeler's Cordial—We would call the attention of our readers to this invaluable medicine, which will be found advertised at length in our columns. As a corrective in cases of Diarrhoea, a disease very prevalent at the present time, it is highly spoken of by all who have used it. It is perfectly safe in its nature, and its effects are experimentally, when we say that it affords immediate relief.

From the Pennsylvania Inquirer, Sept. 1st 1847. Dr. Keeler's Cordial and Carminative—This article is advertised in another part of our paper; it is warmly commended by families who have tried it. It is especially useful among children, and has effected hundreds of cures. The doctor is abundantly supplied with testimony upon the subject, some of which is very strong. The Cordial is not a quick nostrum, but a carefully prepared medicine, and perfectly free from any thing injurious. From the Daily Pennsylvanian, Sept. 16th 1847. We are constrained to say that the "Carminative" of Dr. Keeler's now extensively used in this City, is rapidly making its way to public favor. Its ingredients are of course unknown, but it is mild in its operation, pleasant to the taste, and a remedy quite as good as any now used for the same complaints. From the Daily News, July 15th, 1850. Summer Complaint.—The season when this complaint assails our race. If persons having it in their families would only purchase a bottle of Dr. Keeler's Carmative Cordial, they would save much expense and trouble. We speak of the virtues of this medicine knowingly. From the Spirit of the Times, Elizaville, July 19, 1848. We wish to direct the attention of the readers of this paper to Dr. Keeler's cordial and Carminative, advertised in another column. It is a medicine highly esteemed by every one that has used it in Diarrhoea, Dysentery, Cholera, infantum, etc., which at this season is so frequent. It is a perfect innocuous medicine and gives immediate relief.
